Instructions for Registered Nurse (Nurse Practitioner - Temporary Practice) Applicants

Application Process

Our primary mode of communication with applicants is by email. Please provide a valid email address on your application form and check your email (including your junk folder) on a regular basis. Once your application has been reviewed, you will receive a confirmation email outlining all requirements needed to complete the application process.

In order to practise as a registered nurse (nurse practitioner temporary) in Manitoba and to use the designation registered nurse (nurse practitioner temporary) or RN(NP temporary), you must be registered with the College of Registered Nurses of Manitoba (the College) in the registered nurse (nurse practitioner - temporary practice) membership class.

To be eligible for registration in this membership class in Manitoba, you must be currently registered in good standing as an RN(NP) in another Canadian jurisdiction. Registration in the RN (nurse practitioner - temporary practice) membership class is only valid for a four-month period of time and is renewable, upon application, for one additional four-month period.

Registration in the registered nurse (nurse practitioner - temporary practice) membership class is restricted to one or more of the following purposes:

1. To conduct or participate in a training course or clinical presentation related to the practice of registered nursing.
2. To conduct or engage in a research program related to the practice of registered nursing.
3. To demonstrate equipment or techniques to be used in clinical care related to the practice of registered nursing.

You must declare your purpose(s) for seeking temporary registration from the criteria listed above. Upon approval, a public condition is placed on your temporary registration limiting your scope of practice in Manitoba to the specific purpose(s) for which registration was granted. Any practice outside of that specific purpose(s) may result in cancellation of your certificate of practice and a referral to the Investigation Committee.

Assessment for registration as an RN(NP - temporary) requires the College to open a file for you to begin your application process. **We do not keep any documentation received before an application file has been opened and assigned an applicant number.**

Application

Complete the application for registration in the registered nurse (nurse practitioner - temporary practice) membership class and return it with the non-refundable application processing fee. Your completed application should only be sent once by email, fax or mail to prevent duplicate charges to your credit card.

Verification of Registration

Complete the upper portion of the request for verification of registration form and submit it to the appropriate regulatory body/bodies where you are currently registered. To be eligible for registration in the registered nurse (nurse practitioner - temporary practice) membership class you must be currently registered as an RN(NP) in good standing in another Canadian province or territory and are required to obtain verification from your current regulatory body or bodies.

You may make copies of this form if you need more than one. The regulatory bodies must complete the form and return it directly to the College. Verifications of registration are valid for one year from the date they were completed or sooner if an expiry date is indicated. **Faxes, photocopies and scanned copies will not be accepted.**

Background Checks

The following three checks are required:

- nationwide criminal record check (with vulnerable sector search)
- adult abuse registry check
- child abuse registry check

See our fact sheet on background checks for details on what is required and how you can obtain these.

English Language Proficiency

All applicants must meet the English language proficiency requirement. There are four ways in which this requirement can be met:

1. The applicant is currently registered as a registered nurse in Canada where
 - i. English or French language proficiency was required for registration eligibility if registered prior to June 1, 2018; or
 - ii. English language proficiency was required for registration eligibility if registered beginning June 1, 2018; or
2. The applicant was registered as a registered nurse in Canada and there is evidence of safe practice as outlined in the Registration Practice Direction in a jurisdiction in Canada where there is evidence of either:
 - i. English or French language proficiency being required for registration eligibility prior to June 1, 2018; or
 - ii. English language proficiency being required for registration eligibility beginning June 1, 2018; or
3. The applicant has successfully completed an approved basic nursing education program in Canada within the past two years and where the education was provided in English or there was an English language requirement for admission to the program; or

4. The applicant provides evidence of having achieved acceptable scores on one of the accepted English language tests. See our Language Testing Fact Sheet on our website for more information, including the appropriate English language test for your application type.

Proof of Identification

Acceptable forms of identification include a copy of your:

- passport
- permanent resident card
- driver's license
- other government-issued picture identification and marriage/divorce certificate (only to verify name change)

Professional Liability Protection

You will need to wait for an email with your ID number so you can provide this number to the insurance provider when purchasing your insurance. You are required to obtain professional liability protection through the Canadian Nurses Protective Society (CNPS) and you have two options:

1. **Purchase a membership with the Association of Registered Nurses of Manitoba**, which includes professional liability protection from CNPS. Confirmation of your protection will be communicated to the College by the Association on your behalf. Please contact the Association directly if you have questions about this option: www.arnm.ca
2. **Purchase professional liability protection directly from CNPS**. Confirmation of your protection will be communicated to the College by CNPS on your behalf but it may take up to two business days for this to happen. Please contact CNPS directly if you have questions about this option: www.cnps.ca

Next Steps

If there are inconsistencies in any of the information you provide during the application process, we reserve the right to require additional supporting documentation, which may be over and above the items outlined above. The College may make improvements or changes to the information described at any time without notice.

Your registration assessment will begin once we receive all requirements.

Fees

Registration fees vary depending on the time of year. You can find a full list of fees on our website:

College of
Registered Nurses
of Manitoba

Background Checks for Registration

Background checks are required as part of *The Regulated Health Professions Act* (the RHPA) and the College of Registered Nurses of Manitoba General Regulation.

If you are applying for initial registration or reinstatement, you must submit a background check that includes a satisfactory:

- nationwide criminal record check
- adult abuse registry check
- child abuse registry check

This is also a requirement for RNs and RN(NP)s renewing their certificates of practice, but is only required once every five years of continuous registration. You will be notified by email when it is your year to submit this information.

Once submitted, all copies of criminal record checks and abuse registry checks become the property of the College and will not be returned. We do not provide copies so we recommend you make any personal copies required prior submitting documents to the College.

Criminal Record Checks

Important Information

- Canadian residents must submit a Canadian Police Information Center (CPIC) check.
- Criminal record checks must include a vulnerable sector search.

Please ensure all current, former, maiden, alias and other names used are shown on the criminal record check. **If you do not do this, you will need to have the search redone.**

- If you currently live or have lived outside of Canada within the last six months, you must provide a criminal record search based on a nationwide search from the appropriate law enforcement agency in that country. This process may include submitting fingerprints. The policy agency in that jurisdiction can provide you with more information on the process and any fees.

Initial Registration or Reinstatement

Criminal record checks submitted for these applications must be dated within the previous six months.

Renewal of Certificate of Practice

Criminal record checks submitted for renewal must be dated in the calendar year prior to the renewal year for which the check is required. For example, if the check is required for 2021 renewal, it must have a 2020 issue date and be submitted by the renewal deadline in order to be accepted.

How do I obtain a criminal record check?

Contact your local police agency to obtain a criminal record check. If they are unable to provide one, contact your local Royal Canadian Mounted Police (RCMP) detachment. We will accept the Online Police Information Check from the Winnipeg Police Service.

If you currently live or have lived in other parts of Canada within the last six months, you can contact your nearest police agency, the RCMP or visit the Winnipeg Police Service.

If you currently live or have lived in the United States within the last six months, you must submit a nationwide search through the [Federal Bureau of Investigations \(FBI\)](#).

If you currently or have resided in the Philippines within the last six months, you must submit the search by the National Bureau of Investigations (NBI).

How do I submit my criminal record check?

For initial registration, exam eligibility or reinstatement, applicants can scan and email or take a photo and email the results to the College at registration@crnm.mb.ca. If your criminal record check was completed electronically through the Winnipeg Police Service online system, you can choose to 'share' the result with the College.

For the renewal of a certificate of practice, results will *only* be accepted electronically, registrants can scan and email or take a photo and email the College at backgroundchecks@crnm.mb.ca.

In Canada, if a record exists in the national repository, it cannot be disclosed unless verified by fingerprint comparison. In this case, the police agency will advise you of the steps you must take to obtain this record. This process may take up to 24 weeks.

If the results of your criminal record check discloses a criminal record, we will advise you of the necessary next steps.

Adult Abuse Registry Check and Child Abuse Registry Check

Important Information

- Please ensure all current, former, maiden, alias and other names used are shown on the registry checks. **If you do not do this, you will need to have them redone.**
- Abuse registry checks submitted with an application for initial registration or reinstatement of a Certificate of Practice must be dated within the previous six months. Abuse registry checks are considered valid for one year from the date they were issued.
- Abuse registry checks submitted to satisfy a Certificate of Practice renewal requirement must be

dated in the calendar year prior to the renewal year the checks are required for. For example, if the registry checks are required for 2021 renewal, they must both have a 2020 issue date and be submitted by the renewal deadline in order to be accepted.

- Processing times vary, we recommend ordering as soon as possible so as to avoid unnecessary delay and potentially missing deadlines

How do I obtain these checks?

The adult abuse registry check and the child abuse registry check are separate checks but they can be ordered at the same time online [here](#). Abuse registry checks are not the same as a vulnerable sector search.

Search results cannot be received electronically but can be mailed to you or picked up in person. Applications can also be submitted by mail or in person:

1st floor - 777 Portage Avenue (Winnipeg).

[Visit the Child Abuse Registry website](#)

[Visit the Adult Abuse Registry website](#)

How do I submit these checks?

For initial registration, exam eligibility or reinstatement, applicants can scan and email or take a photo and email the College at registration@crnm.mb.ca.

For the renewal of a certificate of practice, results will *only* be accepted electronically, registrants can scan and email or take a photo and email the College at backgroundchecks@crnm.mb.ca.

If your name appears on either registry, additional information will be required and we will advise you of the necessary next steps.
