Instructions for CNPE Eligibility Applicants

Application Process

Our primary mode of communication with applicants is by email. Please provide a valid email address on your application form and check your email (including your junk folder) on a regular basis. Once your application has been reviewed, you will receive a confirmation email outlining all requirements needed to complete the application process.

If you do not currently hold a valid certificate of practice in the RN membership class with the College you will need to also complete the application for registration in the registered nurse membership class to obtain a certificate of practice.

We do not keep any documentation received before an application file has been opened and assigned an applicant number.

To be assessed for CNPE eligibility the following documents must be received by the College:

- Application form
- Nursing education documents
- Proof of identification

Application

Complete the application for CNPE eligibility and return it with the non-refundable application processing fee. Your completed application should only be sent once by fax or email to prevent duplicate charges to your credit card.

Nursing Education Documents

In Manitoba, the University of Manitoba: Master of Nursing program (Nurse Practitioner Stream) meets the educational requirements for eligibility to write one of the approved RN(NP) exams. RNs who hold a Master of Nursing degree from the University of Manitoba (non-nurse practitioner stream) can fulfill the educational requirements for registration on the extended practice sub register by successfully completing the advanced graduate diploma: advanced nursing practice at Athabasca University.

Outside of Manitoba, a program meets the educational requirements if it allows for eligibility to write one of the approved RN(NP) exams or to establish initial registration as an RN(NP) in another Canadian jurisdiction.

You must arrange for a course completion letter to be sent to the College by your educational institution, specifying the name of the program and date of completion.

If you are a graduate of an advanced practice program outside of Canada, please contact the College to discuss the assessment of prior learning and clinical competence process. If you have already completed this process, please indicate date of successful completion.

Proof of Identification

Acceptable forms of identification include a copy of your:

- passport
- permanent resident card
- driver's license
- other government-issued picture identification and marriage/divorce certificate (only to verify name change)

Exam

Once you have been approved for CNPE eligibility, information regarding how to book your exam writing, the exam location and time will be emailed to you by the exam provider, Yardstick Assessment Services approximately one month prior to the examination date. Exam results will be emailed to candidates approximately six weeks after the exam, once received from the test provider. Exam results are not released in person or over the phone.

If there are inconsistencies in any of the information you provide during the application process, we reserve the right to require additional supporting documentation, which may be over and above the items outlined above. The College may make improvements or changes to the information described at any time without notice.

Candidate Agreement

Canadian Nurse Practitioner Exam: Family/All Ages

Candidates that engage in irregular behaviour, misconduct, or cheating either prior, during or after the Canadian Nurse Practitioner Examination: Family/All Ages (CNPE: F/AA) and/or do not follow an invigilator's warning to discontinue inappropriate behaviour on exam day may be dismissed from the writing centre with no refund.

Unauthorized production, reproduction or publication of the exam questions is also prohibited by copyright laws. In addition, measures and statistical procedures are implemented to detect cheating (e.g., copying answers from another candidate, voluntarily or involuntarily providing answers to another candidate). Unauthorized disclosure of the contents of the exam questions and any other form of cheating is an unethical behaviour and shall result in sanctions. If the regulatory authority determines that a candidate has cheated on the exam, the candidate is automatically assigned a fail result and the writing is counted as an exam attempt. Other sanctions may be imposed and may extend to denial of a licence and/or disqualification from future registrations for the CNPE: F/AA.

Irregular behaviour, misconduct and/or cheating include but are not limited to the following:

- copying, producing, reproducing, removing exam questions and/or responses (in any format) or taking notes about the exam from the writing centre exam room or outside the exam room
- disclosing exam questions or responses, in whole or in part, in any form or by any means (orally, in writing, electronically, on the Internet, "brain dumping," "discussion boards" or otherwise such as but not limited to Facebook, Twitter or other forms of social media)
- giving or receiving assistance of any kind
- taking the exam for someone else or having the exam taken for you
- using prohibited aids such as cell/mobile phones, hand-held computers or other electronic devices, recording or photographic devices, watches, etc.
- bringing study aids (test preparation materials or study materials, textbooks, notebooks, classroom notes, etc.) to the writing centre or accessing or attempting to access such study aids at any time after the start of the exam including but not limited to washroom breaks
- seeking help in answering questions (in person, by phone, text, by e-mail, etc.), engaging in disruptive disturbances or causing disturbances of any kind, and/or failing to follow invigilator instructions

Personal items including but not limited to wallets, watches, purses, hats, bags or coats are not permitted at the desk/table (see Entry into the Exam Room Policy for a complete list of prohibited items). These items must be stored in a secure area designated by the invigilator. Personal belongings may not be accessed at any time during the exam.

Candidate's Declaration

I understand the provisions above and agree to comply with the Candidate Agreement for the Canadian Nurse Practitioner Examination: Family/All Ages (CNPE: F/AA). I also agree to comply with the Entry into the Exam Room Policy. My signature on this form constitutes my agreement not to copy, disclose, produce, reproduce, or otherwise engage in the publication of examination questions or responses, and not to engage in irregular behaviour, misconduct and/or cheating with respect to the CNPE: F/AA.
