## Instructions for CNPLE Eligibility Applicants

### Application Process

Our primary mode of communication with applicants is by email. Please ensure that your current email address is known to the College and is included in your application form. We suggest checking your email (including your junk folder) on a regular basis. Once your application has been reviewed, you will receive a confirmation email outlining all requirements needed to complete the application process.

If you do not currently hold a valid certificate of practice in the RN membership class with the College, you will need to first complete the application process and be approved for registration in the registered nurse membership class with an RN certificate of practice.

**We do not keep any documentation received before an application file has been opened and assigned an applicant number.**

To be assessed for CNPLE eligibility the following documents must be received by the College:

- Application form
- Nursing education document
- Proof of identification

## Application

Complete the application for CNPLE eligibility and return it with the non-refundable application processing fee. Your completed application should only be sent once by fax or email to prevent duplicate charges to your credit card.

## Nursing Education Documents

The University of Manitoba: Master of Nursing program (Nurse Practitioner Stream) is the approved nurse practitioner education program in Manitoba and applicants who have successfully completed it are eligible to write the CNPLE.

Please arrange for the University of Manitoba to send a course completion letter directly to the College.

## Proof of Identification

Acceptable forms of identification include a copy of your:

- passport
- permanent resident card
- driver's license
- other government-issued picture identification and marriage/divorce certificate (only to verify name change)

## Exam

Once you have been approved to write the exam, the College will provide your name and contact information to the exam provider, Meazure Learning. Approximately one month prior to the scheduled CNPLE writing window, information regarding how to book your exam writing will be emailed to you by the exam provider, Meazure Learning.

Approximately six weeks after writing the exam, Meazure Learning will send the exam results to the College and we will email your result to you. Exam results cannot be provided in any other format.

Please note that if there are inconsistencies in any of the information provided to the College during the application process, we reserve the right to require additional supporting documentation, which may be over and above the items outlined above. The College may make improvements or changes to the process outlined above at any time without notice.

# Application for CNPLE Eligibility

Submission of this application does not guarantee approval for exam eligibility. Plan ahead for the time it will take to receive and review all required documents and complete our evaluation.

## Candidate Agreement - Canadian Nurse Practitioner Licensure Exam

Candidates that engage in irregular behaviour, misconduct, or cheating either prior, during or after the Canadian Nurse Practitioner Licensure Examination and/or do not follow an invigilator's warning to discontinue inappropriate behaviour on exam day may be dismissed from the writing centre with no refund. Unauthorized production, reproduction or publication of the exam questions is also prohibited by copyright laws. In addition, measures and statistical procedures are implemented to detect cheating (e.g., copying answers from another candidate, voluntarily or involuntarily providing answers to another candidate). Unauthorized disclosure of the contents of the exam questions and any other form of cheating is unethical behaviour and shall result in sanctions. If the regulatory authority determines that a candidate has cheated on the exam, the candidate is automatically assigned a fail result and the writing is counted as an exam attempt. Other sanctions may be imposed and may extend to denial of a licence and/or disqualification from future registrations for the CNPLE.

Irregular behaviour, misconduct and/or cheating include but are not limited to the following:

- copying, producing, reproducing, removing exam questions and/or responses (in any format) or taking notes about the exam from the writing centre exam room or outside the exam room
- disclosing exam questions or responses, in whole or in part, in any form or by any means (orally, in writing, electronically, on the Internet, "brain dumping," "discussion boards" or otherwise such as but not limited to Facebook, Twitter or other forms of social media)
- giving or receiving assistance of any kind
- taking the exam for someone else or having the exam taken for you
- using prohibited aids such as cell/mobile phones, hand-held computers or other electronic devices, recording or photographic devices, watches, etc.
- bringing study aids (test preparation materials or study materials, textbooks, notebooks, classroom notes, etc.) to the writing centre or accessing or attempting to access such study aids at any time after the start of the exam including but not limited to washroom breaks
- seeking help in answering questions (in person, by phone, text, by e-mail, etc.), engaging in disruptive disturbances or causing disturbances of any kind, and/or failing to follow invigilator instructions

Personal items including but not limited to wallets, watches, purses, hats, bags or coats are not permitted at the desk/table (see Entry into the Exam Room Policy for a complete list of prohibited items). These items must be stored in a secure area designated by the invigilator. Personal belongings may not be accessed at any time during the exam.

### **Candidate's Declaration**

I understand the provisions above and agree to comply with the Candidate Agreement for the Canadian Nurse Practitioner Licensure Examination. I also agree to comply with the Entry into the Exam Room Policy. My signature on this form constitutes my agreement not to copy, disclose, produce, reproduce, or otherwise engage in the publication of examination questions or responses, and not to engage in irregular behaviour, misconduct and/or cheating with respect to the CNPLE.
