Instructions for Registered Nurse (Nurse Practitioner) Applicants

Application Process

Our primary mode of communication with applicants is by email. Please provide a valid email address on your application form and check your email (including your junk folder) on a regular basis. Once your application has been reviewed, you will receive a confirmation email outlining all requirements needed to complete the application process.

You must meet the requirements to be registered with the College of Registered Nurses of Manitoba in the registered nurse membership class and in the registered nurse (nurse practitioner) membership class. If you do not currently hold a valid certificate of practice in the RN membership class with the College you will need to also complete the application for registration in the registered nurse membership class to obtain a certificate of practice.

Assessment for a certificate of practice in the RN(NP) membership class requires the College to open a file for you to begin your application process. **We do not keep any documentation received before an application file has been opened and assigned an applicant number.**

To be assessed for eligibility for a certificate of practice in the registered nurse (nurse practitioner) membership class, the College must receive the following documentation:

- Application form
- Verification of Registration (if applicable)
- Verification of Practice Hours (if applicable)
- Proof of identification
- Professional liability protection

Application

Complete the application for registration in the registered nurse (nurse practitioner) membership class and upload it through your CRNM Registrant Profile on the CRNM website. To access the upload function, once in your Registrant Profile, under the “Active (RN NP)” section click the “Change” button and follow the prompts. You will be provided with a “Form Upload” option, please upload a saved PDF copy of your completed application form. You will be able to pay the application processing fee online once you have uploaded your application form.

Verification of Registration

Verification of registration is required for all current RN(NP) registrations in any other jurisdiction as well as any previous RN(NP) registration(s) held in the last seven years. To obtain a verification, complete the upper portion of the request for verification of registration form and submit it to the appropriate regulatory body/bodies where are currently or were previously registered as an RN(NP).

You may make copies of this form if you need more than one. The regulatory body/bodies must complete the form and return it directly to the College. Verifications of registration are valid for one year from the date they were completed or sooner if an expiry date is indicated. **Faxes, photocopies and scanned copies will not be accepted.**

Verification of Practice Hours

If applicable, complete the upper portion of the request for verification of practice hours form and submit it to all employers for whom you have worked as an RN(NP) in the past three years. Employers must complete the form and return it directly to us on your behalf.
