How to access Nurse Check

College of
Registered Nurses
of Manitoba

While Nurse Check may look a little different, a lot of its functionality is the same.

1 Once you click on Nurse Check from the CRNM homepage, you will see the screen below. You may enter their registration number, first name, or last name in any combination to find your results.

Nurse Check

This easy-to-use tool is intended to help members of the public identify whether a person providing services as a registered nurse, registered nurse (nurse practitioner), graduate nurse or graduate nurse practitioner in Manitoba is registered with the College of Registered Nurses of Manitoba and whether there are any conditions or restrictions on that nurse's practice. It will also provide important information about a registrant's registration history, disciplinary history and employer contact information.

You can search using either or both the first and last name of the individual or their registration number. You can also search using a previous name(s). Search results may include individuals who previously held the name you are searching.

Indicators:

The Directory provides a visual indicator to quickly see the membership class of a registrant.

- - Registered
- - Notation
- - Registered with Conditions
- - Voluntary Surrender
- - Former
- - Cancelled
- - Suspended
