How to enter your Learning Plan

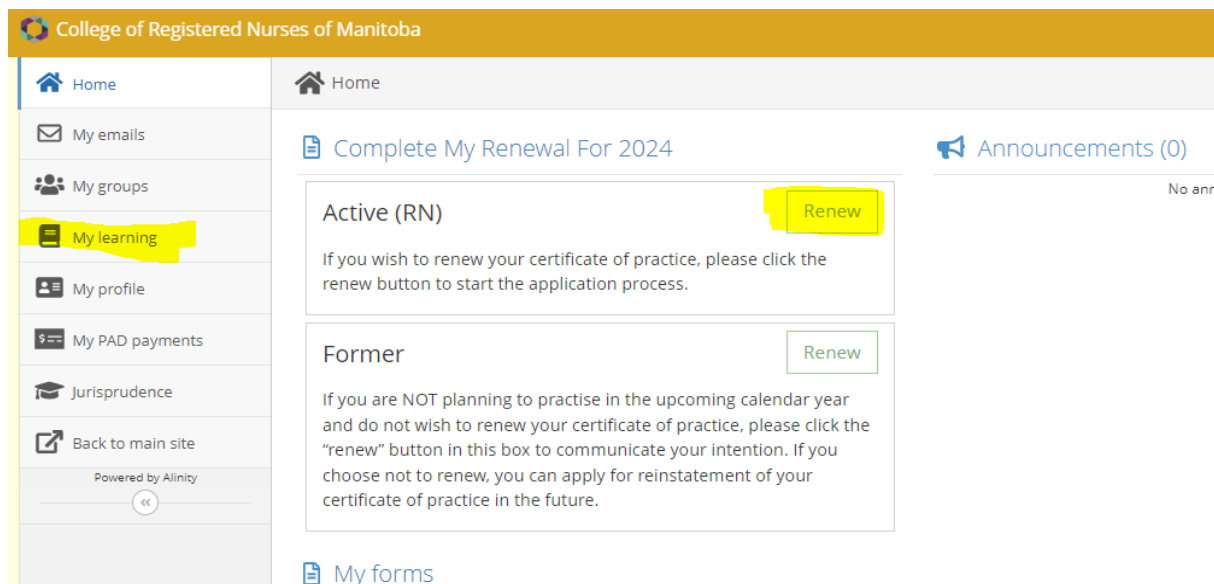

College of
Registered Nurses
of Manitoba

There are two ways to enter your Learning Plan:

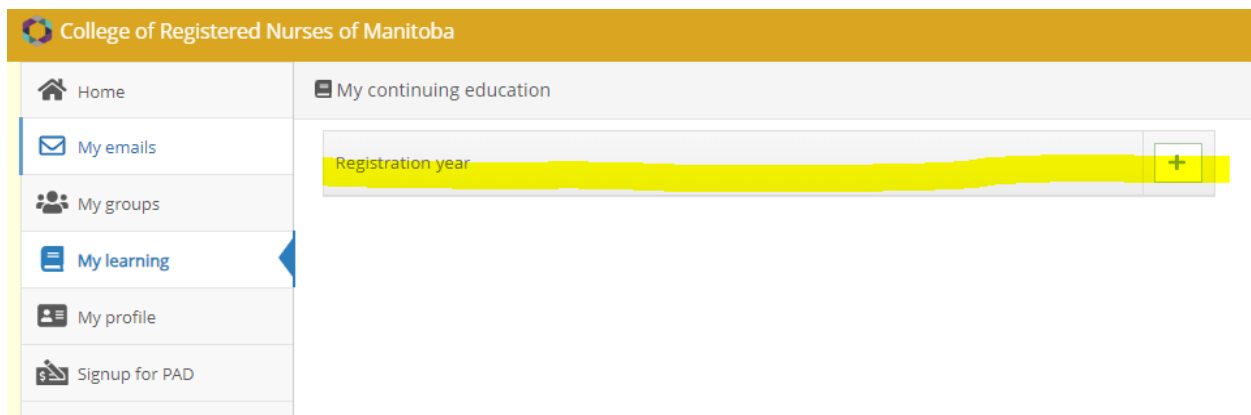

If a Registrant is selected to participate in the Continuing Competency Program (CCP), they enter a Self-Development Plan (SDP) as they renew their Certificate of Practice during renewal period.

For all others (not selected), it is optional to enter.

1 On the left-hand side, click Jurisprudence. Press “My Learning”. It will bring you to your Learning Plan. You can also click "Renew" and it will also bring you to your learning plan.

2 If you click on "My Learning", click the + sign and the default is the current year. Please click save.

3 If you click "Renew", follow the instructions set out to renew before you reach "Learning Plan for *year"

INSTRUCTIONS

If you have questions about your annual continuing competency requirements, please review the information found on our website: <https://www.crnmb.ca/support/continuing-competency-program>

Registrants selected to participate in the Continuing Competency Program review will be **required** to enter their self-development plan below. Your self-development plan will be reviewed and scored by a CRNM team member. You will not be able to complete your certificate of practice renewal without entering this information. Please make sure that you use the scoring rubric found in the CCP Workbook to determine if your plan meets criteria.

All other registrants have the **option** of entering the current years self-development plan. These plans will not be reviewed or scored by a CRNM team member.
