RN Annual Renewal

How to play

- Create teams or allow for individual participation
- Open slide 3 in presentation view
- Have team/individual select a category and a value i.e., CRNM for 200 and then click the value
- This will take you to the question slide. Read the question and allow participants to answer the question. Examples of how to facilitate participation:
 - After reading the question give 5 second countdown and then whoever raises their hand first provides their answer
 - No countdown and whoever raises their hand first can answer. Or answer questions as a class.
- Click on the  button to view the answer slide. If the answer was correct, the participant is awarded the value
- Click on the  button to return to the menu
- The previous value will appear in grey to indicate it was already selected
- Ask next participant to pick a category and value!
- Winner has highest total value!

To reset and play again, close and the  open presentation. This will reset the link colors.
